HARVEST

Grapes were selected from 46-year-old vines on our Basse Provence estate in Franschhoek, the vineyard yields only 3 tonnes / ha. The Chenin Blanc grapes were harvested by hand between 22.5° and 23.4° Balling with good harvesting conditions throughout and the drought effecting yields.

WINE MAKING

Fermentation took place in a stainless steel tank at 12.5°C and lasted 25 days. 10% of the wine was barrel fermented in older oak barrels and the rest in stainless steel tanks. The wine was left on its primary lees for six months and stirred three times a week to enhance flavours and mouth-feel.

WINEMAKER'S NOTE

Inviting aromas of pineapple, guava and white peach with underlying floral and green fig notes. A full, rich palate of tropical fruit, citrus and spice leads into a long fresh honeyed finish.
